Business Development Partners, LLC.

Skullz Camo on Alpine Archery

Miami - September 28, 2009 - Business Development Partners, LLC in conjunction with TWN industries and Alpine Archery are offering the first skull pattern bow available on the open market. The Alpine Assault Bow is the first commercial bow to offer the Skullz Camouflage pattern. For information on ordering contact Alpine Archery on their website:

www.alpinearchery.com. Or you can view the new 2010 Catalog [here](#).

Skullz Pattern- Skullz pattern is the first camouflage pattern developed for aftermarket and retail use. This pattern looks excellent on Assault Rifles, Combat Bows and Handguns. For more information on this pattern or for ordering please contact BDP, LLC or TWN Industries directly.
